LENS OCCASIONAL TABLE SERIES

LENS OCCASIONAL TABLE SERIES

Barbara Barry has created an extensive collection of seating and occasional tables reflecting her signature style – simplicity of line and purity of form – combined with HBF's quality construction. Distinctive architectural features with a refined sense of modern elegance provide luxurious aesthetics for today's interiors. Strap-work legs of brushed stainless steel support a variety of surface materials on their tangent.

Lens occasional tables are offered with top surfaces of maple or HBF Ligno-Grain veneer, solid surface or white back painted glass materials. The glass tops may be specified with shelves of veneer or solid surface, providing unlimited combinations for the two side tables and coffee table.
