THE ROOM

A CREATIVE SPIRIT.

With Poet, you get the choice of two distinct design styles. Poet Peb takes on a rounded, more organic nature while Poet Cube presents a more rectilinear, tailored shape. Complement either cushion style with the dowel wood foot or architectural metal foot for two completely new looks.

Poet is a lounge and table collection designed by Qdesign.

HERE + NOW.

Configure unique set ups with Poet's wide variety of modular components. Pair with modular or freestanding tables for added functionality and finesse.

Incorporate privacy units that offer opportunities for independent solitude and reserved collaboration. Keep looks artfully subdued or add in an element of energy with material selections. Available in one or two seat units with optional integrated tables and power.
